

## ***WIPE OUT ELECTRICITY AND GAS BILLS***

### ***Come and Find Out How***

Renewable Energy Benalla (REB) presents a series of workshops on how to save on energy costs.

The program will commence by looking at reading your power bills to establish your baseline energy use. So bring in your power bills.

Following sessions will outline opportunities to reduce your power bill.

Workshops will be held at the Benalla Gliding Club,

Samaria Road Benalla.

### ***WORKSHOP TIMETABLE AND TOPICS TO BE COVERED.***

#### ***SESSION 1 TUESDAY 22 MAY, 7.00pm-9.00pm.***

Overview of project. Hear about the Victorian Residential Efficiency Scorecard. Major emphasis on reading your meter to establish baseline energy use. Please bring in your power bills.
